Our library - for our Community

Keep up the good work!

That is the message that volunteers keep hearing when they are working in the library. Our library assistants and session leaders have had a lot to learn over the last two months, but we are gaining confidence and will continue to provide the best service that we can to all our library users.

More volunteering opportunities

When you visit the library, you will see evidence that our Displays Working Group has been busy! We have a Halloween Pumpkin Trail for our younger visitors this month and the Community Notice Board will be the place to find out what is going on locally, as well as placing your own small ads.

We hope to start the Children's Reading and Fund Raising groups soon.

Minutes of our volunteer working group and session leader meetings are in the library.

If you are interested in joining one of the working groups please let us know.

Trustees News

Work has begun to install the water supply. We plan to install the kitchen and hope that the new path giving direct access from Station Road will follow.

Room Hire

The library is now available for hire, outside our normal opening times. Please address enquiries to Ken Gilbert Tel 01455 292572

Volunteers and Friends of MBCL are invited to the library on Thursday, 10th November at 7.00 pm to help us plan and organise our Grand Opening Christmas Party. (See below) The trustees have started planning this event, but would welcome your ideas and support. Please **SAVE THE DATE** and come along on the day with your family and friends.

All members of the community
are invited to

Come and Celebrate
at our

**Grand Opening &
Christmas Party**
